Dear Sir,

Swiss Patent Application No. 3040/81
Our File: PM 1088/9 R&G File: 23844

Thank you for your letter of 8th May, enclosing the copy of the official action. Please inquire as to whether or not there is a Swiss application corresponding to the Imperial Group Limited reference.

If there is a potential problem to contend with, proceed to make the voluntary amendments similar to the action taken in France and other countries. If you find that the situation requires further discussion, particularly with regard to specific changes in the claims, please call Jim Schardt.
